

**AMENDMENTS TO THE DRAFT ELECTION DOCUMENT
TO BE DISCUSSED AT THE EPP CONGRESS (WARSAW, 29-30 APRIL 2009)**

1. EPP: line 95, add the following text:

“The values of the European People’s Party are pointed out in its Basic Programme and the document “A Union of Values” decided 2001 in Berlin. The values pointed out in those documents remain the foundation of our political family.”

2. ND-GR: line 351, add after “rating agencies”:

“and extend regulatory oversight and registration to rating agencies to ensure they meet the international code of good practice, particularly to prevent unacceptable conflicts of interest.”

3. CDH-BE: line 889, add the following text:

“Moreover, the EPP calls for an 80% reduction in greenhouse gas emissions until 2050 (compared to 1990 levels). This major goal has to be prepared from now on through the different measures presented in this programme and through the new measures that will be proposed by scientists, politicians and civil society in the coming years.”

4. CDH-BE: line 1057, add the following text:

“compared to 1990 levels by 2020, *and by 80% by 2050,*” as part of...”

5. ÖVP-AT: line 1130, change the title into:

“4. Tackling the Demographic Challenge – Prospects for our long-living societies”
